

Field of Interest Funds

Eye Care Specialists Charitable Fund

The Eye Care Specialists Charitable Fund is dedicated to supporting community events and non-profit organizations in our area by fostering education, research, public awareness, screenings and other initiatives. Through this Fund, Eye Care Specialists is committed to advancing the cause of preventing blindness and supporting the local organizations and communities where their patients live, work, and play in Northeastern PA.

Grants have been made to local organizations such as Greater Wilkes-Barre Association for the Blind; Janet Weis Children's Hospital; Area Fire and Ambulance Companies; Templar Eye Foundation and Surgical Eye Expeditions, just to name a few.

Eye Care Specialists continues to advance the fields of ophthalmology and optometry through its involvement in clinical trials. They have participated in numerous clinical trials that ultimately have led to breakthrough treatments for a variety of eye diseases.

Their talented physicians hold degrees from some of the most prestigious institutions in the world. Working with the latest technology, they are committed to helping their clients obtain and maintain excellent vision and healthy eyes for years to come.

With experts in all specialties of eye care, they offer a full range of in-house eye care services for the entire family – both young and old.
